

TECHNO -10

Sorreal Systems Pvt. Limited, New Delhi in association with School of Management Sciences, Varanasi has started a unique software development centre at the campus of SMS- Varanasi. As its first initiative, this centre has announced “**TECHNO-10: SOFTWARE TRAINEE PROGRAM**” which will run under the banner of the **LIVEWIRE – Technical Club**.

The aim of this program is to transform **10** software trainees as software engineers, equipped with the contemporary knowledge and tools of IT, who will be **ready to be inducted** in the IT industry. The key objectives of this programme are:

1. To develop the analytical techno brain.
2. To provide real time problem solving exposure using cutting edge technologies.
3. To build up the ability to manage work pressure.
4. To understand the SDLC process practically.

Who can join?

Only MCA 6th Sem Students of any institution/ college

Key benefits of the programs:

1. Sharpen the technical skills
2. Students will equip with solution of IT industry demand.
3. Chance to work on real time environment.
4. Deployment of projects on real time servers accessible from any nook and corner of world.
5. Fulfill the MCA 6th sem student’s industrial project requirement.
6. Chance to grab such opportunity in Varanasi.
