## **IMPORTANT NOTICE**

This is for information to all the **Course Coordinators** and needful compliance by them that they must ensure the uploading of the various academic contents on the **MOODLE-Platform** of the institution, that have already been delivered to the classes by all the concerned members of faculty in all the different semesters of various courses, so as to enable even the absentee students to take note of the missed study-contents.

The compliance in this connection may please be given priority by all the various Course Coordinators.
