NOTICE

The School of Management Sciences, Varanasi, is pleased to inform all the students of BBA, BCOM(Hons.), BCOM and BA (Hons.) Mass Com. about an excellent opportunity to participate in the **Bharat YUVAi Hackathon**, India's first AI Hackathon specially designed for **non-technical students**, being **organised by Tata Consultancy Services (TCS)**. This is a prestigious national-level programme and a great opportunity to enhance your learning beyond the classroom.

Venue: SMS, Varanasi

Date: 6th February 2026

Duration: 3 Hours

Participants will gain hands-on exposure to AI through team-based innovation activities, receive digital certificates, and develop important career-oriented skills.

Final selection will be based on class attendance, participation, and academic performance due to limited seats. Interested students must register their names with the respective Course Coordinators within the given time.

For further details, please contact your Course Coordinator.
