NOTICE

School of Management Sciences, Varanasi (Accredited 'A' Grade By NAAC) is well known to generate & adopt innovative practices. In the same sequence Sorreal Systems Pvt. Limited, New Delhi in association with School of Management Sciences, Varanasi had started a unique software development centre at the campus of SMS Varanasi in year 2019. This centre has announced "TECHNO-10: SOFTWARE INTERNSHIP PROGRAM" which will run under the banner of the LIVEWIRE – Technical Club.

The aim of this program is to transform 10 software interns as software engineers, equipped with the contemporary knowledge and tools of Information Technology, who will be ready to be inducted in the IT industry. The key objectives of this programme are:

1. To develop the analytical techno brain.
2. To provide real-time problem-solving exposure using cutting edge technologies.
3. To build up the ability to manage work pressure.
4. To understand the SDLC process practically.

BCA/ B.Tech/ MCA students of any college/ university can join this programme.
