“

At present, four bi-annual Journals – Management Insight, Purushartha, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation are being regularly published by us, and are being indexed in International Data-base, Scopus, Elsevier, apart from being listed in the UGC-List of journals.

”

Let me first wish you a Pleasant Day!

I further feel brimmed with a sense of scholastic exuberance in bringing this small publication to your good self to apprise you of the ambrosial salience of a highly acclaimed seat of learning and research in the streams of management, commerce, mass communication and computer sciences - **School of Management Sciences, Varanasi, a NAAC 'A' Grade Accredited Institution**, which has recently been accorded with '**Autonomous Status**' by the UGC, and which equally maintains a visible position in the high-profile bracket of '**Top 50 B-Schools in India**'. Remarkably, four bi-annual research Journals – **Management Insight, Purushartha, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation**, published by us, are being indexed in International Data-base, Scopus, Elsevier, etc. Providing one of the best learning experience to the students, SMS Varanasi is widely known for offering a context that enhances professionalism, humanism and social responsibility. Let me express my deep sense of gratitude towards a **continued unwearied cooperation** of the **corporate sector in helping SMS develop ideally**.

You will appreciate that on account of a sustained business reforms in the recent past, India has recently emerged as the **Fifth Largest Economy** in the world. This may be taken as a welcome trait for the growing corporate visibility. Keeping its role as an active corporate partner in progress, especially in the post **Autonomy Era** under the landscape of the **National Education Policy**, the academic leadership at SMS Varanasi has already revisited both the text and context of the deliverables, offered to our **MBA & MCA participants** within an arrogantly beautiful '**Green Campus**' of SMS, to ensure their increased suitability to the growing & changing corporate requirements. Imbibing all the relevant value models including, communication & personality development, business analytics, digital marketing, driver technologies, global economic & political scenario, etc. they become more compatible to the current and upcoming job environments. Loaded with desirable managerial traits plus skill-mix, our students are trustworthy for catering to the versatile needs and expectations of the organizations inviting them to serve.

I take this opportunity to cordially invite you in meaningfully actualizing the institute-industry dyad in order to accommodate the professional concerns of our outgoing **MBA & MCA** students and do avail of their collective wisdom.

With warm regards & best wishes,

Yours sincerely,

(P.N. Jha)

“

Let me express my deep sense of gratitude to the corporate world for their sustained support in meaningfully accommodating our relevant students towards one of their significant academic cause – Summer Placements, and thereby extending a helping hand to us in a big way in actualizing a mandatory requirement of their course-curriculum.

”

Dear Sir / Madam,

At the outset, let me extend you heartfelt gratitude and warm greetings of School of Management Sciences, Varanasi (**An Autonomous Institution**) for constantly receiving fabulous contributions from the corporate houses towards various scholastic pursuits relating to a sustained industry-institute partnership. I really don't have proper words for expressing the true sense of gratefulness we owe to you people on the count of meaningfully addressing to the plural career-concerns of our students in terms of campus placements, summer training, guest lectures, industrial visits, and so forth.

You would appreciate that SMS has been putting-in onerous efforts to imbue the participating students with needful competence so as to enable them to withstand the environment of changing challenges of the corporate world successfully. Endowed with the academic caring by a brilliant pool of faculty, following a course-curricula of the global standard, additional pragmatic learning through various training programmes of high orders, the corporate personality of our students are groomed in terms of domain knowledge & wisdom, analytical skills, leadership traits, group dynamics, positive attitude, and emotional intelligence. Our alumni have already registered their marked presence in a number of corporate units on account of their trustworthy performance.

I take this opportunity to bring it to your kind attention that our placement activity invariably starts **from the month of October**. In this connection I would like to extend a warm welcome to all the organizations to bestow upon us their pre-placement presentations, and to interact with our outgoing **MBA and MCA students** in order to explore the prospects of recruitment & selection. You are equally invited to share your views with our faculty-team so as to effect a mutual thrust in developing a more fruitful industry-academia dyad.

Humble regards & best wishes

Yours sincerely,

D. K. Tripathi

The Genesis

Estd. 1995

SMS
VARANASI

Sensing the ever-growing need for competent and highly trained professionals endowed with technical skills and aptitude to operate in the highly complex and technology driven industrial environment, the SMS Society, a philanthropic social organisation, registered under the Societies Registration Act, 1860, established an autonomous nonprofit educational centre, School of Management Sciences (SMS), in Varanasi with avowed mission of imparting highly innovative management and computer education in the eastern part of India which was expected to be the need of the hour in the country's economy heading so fast towards globalisation.

With a modest beginning in 1995, the SMS has never looked back. It has made consistent endeavours over the years to prove its national character as a Centre of Excellence in Management and Computer Education. It is because of its proactive approach and immense commitment that SMS has been rated as one of the top-most Institutions in the country imparting professional education in Management and Computer Sciences. The goal of the MBA & MCA programme is to develop future management leaders, business crusaders and managerial decision-makers, capable of effectively addressing to the plural corporate responsibility at the domestic plus global platform and be equally sensitive to the wider social aspiration.

The objective of the MCA programme, however is to develop future leaders, chief engineers, head designers, principal technical officers of industrial software engineering practice in computer & IT organisations. While distinguishing itself from the usual programmes in Information Technology, the programme develops professionals to strengthen the structural core capabilities needed particularly for a software organisation.

The School of Management Sciences has already actuated the Centre for Corporate Training & Research (CCTR) at Mumbai for better Institute-Industry interaction and the Centre for Spiritualism & Human Enrichment (C-SHE) at Varanasi in the Campus itself for cultivating the individuals into ideal human beings by blending of traditional values with modern thoughts.

SMS has also been recognised as one of the prominent Training Centers by Insurance Regulatory & Development Authority of India for providing training to Insurance Agents.

CAMPUS

The Institute has a sprawling lush-green Campus spreading over an area of over 10 acres with already built-up space of more than 1.25 lacs sq. ft. It is located on the Delhi-Kolkata Golden Quadrilateral Express Highway in a picturesque locale. It encompasses all modern amenities and facilities that are comparable to the best professional institutions of the county. The calm, quiet and hassle-free atmosphere not only provides with a fine learning ambience but also provides an opportunity to develop organic linkages with the corporate world. From all angles, the campus is an architectural marvel in itself.

TRAINING & PLACEMENT CELL

The Institute has been aware of two main important facts: Firstly, that the interaction with the corporate world during summer placement helps the students to sharpen their managerial and incisive skills and, secondly, the performance of a professional institute is gauged in terms of the quality of placements to its outgoing batches. As such, the Institute has established a full-fledged and well-equipped Training and Placement Cell which provides active support to the students in getting quality summer training as well as final placements. In past, the Institute has had an outstanding record of quality placements.

The students of the SMS are absorbed by leading national and multi-national companies every year. Some of the prominent companies that visit SMS regularly for providing Summer Training & Placement to the MBA & MCA students are:

INDUSTRY LINKAGE

To keep abreast of the latest changes in the industrial world, a professional Institute should have close linkage with the real business world. Based on this hypothesis, the School of Management Sciences makes concerted endeavours towards organising institute-industry interfaces at different places of importance and so it also undertakes the following activities :

SEMINARS, CONFERENCES AND EXECUTIVE DEVELOPMENT PROGRAMMES

Seminars and Conferences on key problem areas feature regularly in the Academic Calendar of the Institute. The objective is to provide a platform where the students and faculty members could interact with the highly experienced professionals and academicians.

Perceiving the need for developing and sharpening the skills to exploit the burgeoning and enticing opportunities emerging as a result of the cataclysmic developments in global environment, the SMS also offers several significant Executive Development Programmes for promising entrepreneurs and working executives for which it has received wide appreciation.

GUEST LECTURES

In addition to class-room teaching, the Institute also organises the year-long Guest Lecture Series to give the students a glimpse of the real corporate practices. In this series, the working executives from the organisations of repute are invited to interact with the students on the topics of thematic importance.

CONSULTANCY

The Institute with its highly experienced teaching faculty has been offering consultancy services not only to the local entrepreneurs but also to the business and industrial organisations in the country. Since its inception, the Institute has emerged as a Centre of Excellence where the local entrepreneurs and other organisations do visit for redressal of their problems and also for seeking assistance to get market and consumer surveys conducted for their different products not only in Varanasi but also in other parts of the country.

It is worth mentioning that in the recent past, the Institute has conducted many significant research/market surveys for a number of reputed organisations in the corporate world, both from the Public and Private Sectors.
