Dear Sir / Madam,

Let me first wish you a Pleasant Day !

I further feel a hue of collegiate exuberance in bringing this small publication to your good self to apprise you of the ambrosial salience of a highly acclaimed seat of learning and research in the streams of management, commerce, mass communication and computer sciences - **School of Management Sciences, Varanasi, a NAAC 'A' Grade Accredited Institution**, which has already been accorded with 'Autonomy Status' by the UGC, and which equally maintains a visible position in the high-profile bracket of '**Top 50 B-Schools in India**'. Remarkably, **five bi-annual research Journals – Management Insight, Purushartha (Scopus Indexed), Computing Trendz, SMS Journal of Entrepreneurship & Innovation, and Commerce Research Review are regularly published by us.** SMS Varanasi has been popular for giving one of the best learning experiences to the students. More sanguinely, the institution is widely known for providing a context that enhances professionalism, humanism and social responsibility. Let me express my deep sense of gratitude towards the **unwearied cooperation of the corporate sector in helping SMS develop ideally, taking frequent quantum jumps in both its pre & post Silver Jubilee Years.**

You will appreciate that our country has been facing a significant challenge skilling its vast young workforce to meet the requirements of the corporate sector's job requirements. **Majority of the global CEOs are today concerned about the impact of talent shortage on their growth plans. The 'skills-gap' has become more than a business challenge.** A study conducted by the National Skill Development Corporation (NSDC) has revealed that while India needs 103 million skilled workers, only 74 million are currently available. Understanding a stronger relevance of the industry-academia proximity towards dousing the flames of the systemic issue, the academic leadership at SMS Varanasi has already enhanced the frequency of HR-Conclave-organization at our campus, and equally revisiting both the text and context of the deliverables, offered to our **MBA, MCA and M. Com. participants within an arrogantly beautiful 'Green Campus'** of SMS, to ensure their increased suitability to the growing & changing corporate requirements. Apart from domain knowledge, these students imbibe the right set of skills and capsules for ability enhancement in order to become highly competitive in the business arena. We understand that job market is becoming more knowledge application based and basic skills plus enhanced ability are necessary for getting, keeping & doing well on a job.

May I request you kindly to evince personal interest in taking care of the curricular as well as the professional causes of our **MBA, MCA and M. Com. students** in the best possible way by allowing them an opportunity to manifest their versatile wisdom during the forthcoming industrial associations at your prodigious business-house.

With warm regards & best wishes,

Yours sincerely,

(P.N. Jha)

Dear Sir / Madam,

Let me take the opportunity to extend my heartfelt gratefulness to the corporate world for their invaluable support in meaningfully accommodating our relevant students towards their various academic pursuits on the platform of Industry-Institute Dyad, and thereby extending an extremely helping hand to us in actualizing a mandatory requirement of their course-curricula.

The concerted training programme not merely helps the students to imbibe relevant inputs of experiential learning, but equally provides an occasion to channelize the cognitive pool to absorb needful skills and work culture at the industrial unit or field of their choice, where they wish to build their professional career. Further, the internship programmes offer an occasion to employers as well to keenly observe the students in action and thereby assessing the extent of their suitability with the corporate culture and needs.

It is indeed a great pleasure on our part to present the profile of our young, energetic, aspiring and dependable students of MBA, MCA and M.
