“

At present, four bi-annual Journals – Management Insight, Purushartha, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation are being regularly published by us, and are being indexed in International Data-base, Scopus, Elsevier, apart from being listed in the UGC-List of journals.

”

Dear Sir / Madam,

At the outset let me wish you a Pleasant Day !

I further feel inclined to seek your gracious blessings in as much as involving the eponymous values of your glorious organization in designing a glaring instance on the indispensable platform of institute – industry dyadic relationship. The small publication is indeed a souvenir of the reflections of some of the physical and intellectual capital of the **School of Management Sciences, Varanasi, a B-School titan for providing a true context that enhances professionalism, humanism and social responsibility. Recently having stepped in the Silver Jubilee Year and Accredited by NAAC with 'A' Grade**, the institution is equally ranked among the 'Top 50 B-Schools' of India. At present, four bi-annual Journals – Management Insight, Purushartha, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation are being regularly published by us, and are being indexed in International Data-base, Scopus, Elsevier, apart from being listed in the UGC-List of journals.

The SMS-education system, housed in an arrogantly beautiful 'Green Campus', has been extremely conscious to accommodate the pragmatic dictates of the various academic and training concerns of the corporate world by way of incorporating desirable modifications in the course-curricula and pedagogy-mix from time-to-time, coupled with exposing our students to a value-based personality development package covering life skills, soft skills and other pertinent corridors in the global business environment for infusing in them a better compatibility. This is why our students use to successfully exhibit their cognitive strength on the corporate floors while addressing the assigned responsibilities.

You will appreciate that sustained business reforms in recent years have helped India make a quantum jump to move to 63rd place on the World Bank's ranking of countries by Ease of Doing Business along with the present spate of concerted efforts by the government may be taken as a welcome trait for the growing corporate visibility within the globalization-drive getting fully prepared to welcome the commandments of the Fourth Industrial Revolution (IR 4.0). Let us consider it a harbinger of a major business upswing during the days ahead.

May I request you kindly to evince personal interest in taking care of the curricular as well as the professional causes of our students in the best possible way by allowing them an opportunity to manifest their versatile wisdom during the forthcoming industrial associations at your prodigious business-house.

With warm regards & best wishes,

Yours sincerely,

(P. N. Jha)

FROM GENERAL MANAGER'S DESK

D K Tripathi

M.A-Labour & Social Welfare

General Manager-Corporate Affairs

“

Let me express my deep sense of gratitude to the corporate world for their sustained support in meaningfully accommodating our relevant students towards one of their significant academic cause – Summer Placements, and thereby extending a helping hand to us in a big way in actualizing a mandatory requirement of their course-curriculum.

”

Dear Sir / Madam,

Let me express my deep sense of gratitude to the corporate world for their sustained support in meaningfully accommodating our relevant students towards one of their significant academic cause – Summer Placements, and thereby extending a helping hand to us in a big way in actualizing a mandatory requirement of their course-curriculum.

School of Management Sciences, Varanasi understands that Summer Placements are an integral part of the holistic learning for both the PGDM and MBA participants. The concerted training programme not merely helps our students to imbibe valuable inputs of experiential learning, but equally provide an opportunity to channelize the cognitive pool to absorb relevant skills and work culture at the industrial unit or field of their choice, where they wish to build their professional career. Further, the internship programmes offer an occasion to employers as well to keenly observe the students in action and thereby assessing the extent of their suitability with the corporate culture and needs.

It is indeed a great pleasure on our part to present the profile of our young, energetic, aspiring and dependable students of PGDM and MBA courses (Batch 2019- 2021) for Summer Internship at your esteemed house. We look forward to your active participation in the campus recruitment programme relating to Summer Internship.

Humble regards & best wishes

Yours sincerely,

D K Tripathi

Estd. 1995

SMS
VARANASI

Sensing the ever-growing need for competent and highly trained professionals endowed with technical skills and aptitude to operate in the highly complex and technology driven industrial environment, the SMS Society, a philanthropic social organisation, registered under the Societies Registration Act, 1860, established an autonomous nonprofit educational centre, School of Management Sciences (SMS), in Varanasi with avowed mission of imparting highly innovative management and computer education in the eastern part of India which was expected to be the need of the hour in the country's economy heading so fast towards globalisation. With a modest beginning in 1995, the SMS has never looked back. It has made consistent endeavours over the years to prove its national character as a Centre of Excellence in Management and Computer Education. It is because of its proactive approach and immense commitment that SMS has been rated as one of the top-most Institutions in the country imparting professional education in Management and Computer Sciences. The goal of the PGDM & MBA programme is to develop future management leaders, business crusaders and managerial decision-makers, capable of effectively addressing to the plural corporate responsibility at the domestic plus global platform and be equally sensitive to the wider social aspiration.

The objective of the MCA programme, however is to develop future leaders, chief engineers, head designers, principal technical officers of industrial software engineering practice in computer & IT organisations. While distinguishing itself from the usual programmes in Information Technology, the programme develops professionals to strengthen the structural core capabilities needed particularly for a software organisation.

The School of Management Sciences has already actuated the Centre for Corporate Training & Research (CCTR) at Mumbai for better Institute-Industry interaction and the Centre for Spiritualism & Human Enrichment (C-SHE) at Varanasi in the Campus itself for cultivating the individuals into ideal human beings by blending of traditional values with modern thoughts. SMS has also been recognised as one of the prominent Training Centers by Insurance Regulatory & Development Authority of India for providing training to Insurance Agents.

The Genesis

The Architectural marvel

VISION

To become a constantly growing center of excellence nurturing global-centric professional leadership based on ethical and moral attributes.

QUALITY POLICY

Imparting value based education of highest standard, relevant to contemporary World.

MISSION

To create excellent learning ambience through innovation in teaching, research and consultancy for producing professionals capable of answering global challenges and demonstrating high ethical and moral standards

GUIDING VALUES

Trust, Sense of Ownership,
Sense of Contribution,
Innovation, Modesty &
Mutual Respect.

CAMPUS

The Institute has a sprawling lush-green Campus spreading over an area of over 10 acres with already built-up space of more than 1.25 lacs sq. ft. It is located on the Delhi-Kolkata Golden Quadrilateral Express Highway in a picturesque locale. It encompasses all modern amenities and facilities that are comparable to the best professional institutions of the county. The calm, quiet and hassle-free atmosphere not only provides with a fine learning ambience but also provides an opportunity to develop organic linkages with the corporate world. From all angles, the campus is an architectural marvel in itself.

Infrastr

IT Infrastructure

The IT infrastructure at SMS Varanasi comprises of fully air-conditioned 8 computer labs equipped with latest generation of all relevant computer & electronic gadgetry advancements. The computer centre has more than 400 P-IV Smart terminals to work as Standalone and also on LAN environment. The institute has unlimited Internet access through 15 MBPS Lease Line connection. SMS has an authentic range of softwares due to its agreement with the renowned IT Company Microsoft. The entire campus of SMS Varanasi is Wi-fi enabled, allowing the student hi speed internet access.

- **BACHELOR OF COMMERCE (Hons.)**
Affiliated to Mahatma Gandhi Kashi Vidyapith, Varanasi
- **BACHELOR OF ARTS B.A. (Hons.)**
MASS COMMUNICATION
Affiliated to Mahatma Gandhi Kashi Vidyapith, Varanasi

LEARNING OUTCOMES

The following learning outcomes are generally expected from SMS Varanasi students on completion of their respective courses:

- Knowledge and curiosity to learn more in their respective academic domains,
- Employability skills
- Positive attitude
- Rational thinking and decision making capabilities
- Skills of team management and leadership
- Ethical and moral values
- ICT – skills
- Sensitivity towards humanity, society, and environment
- Traits of a responsible citizen of the nation

TRAINING & PLACEMENT CELL

The Institute has been aware of two main important facts: Firstly, that the interaction with the corporate world during summer placement helps the students to sharpen their managerial and incisive skills and, secondly, the performance of a professional institute is gauged in terms of the quality of placements to its outgoing batches. As such, the Institute has established a full-fledged and well-equipped Training and Placement Cell which provides active support to the students in getting quality summer training as well as final placements. In past, the Institute has had an outstanding record of quality placements.

The students of the SMS are absorbed by leading national and multi-national companies every year. Some of the prominent companies that visit SMS regularly for providing Summer Training & Placement to the PGDM, MBA & MCA students are:

INDUSTRY LINKAGE

To keep abreast of the latest changes in the industrial world, a professional Institute should have close linkage with the real business world. Based on this hypothesis, the School of Management Sciences makes concerted endeavours towards organising institute-industry interfaces at different places of importance and so it also undertakes the following activities :

SEMINARS, CONFERENCES AND EXECUTIVE DEVELOPMENT PROGRAMMES

Seminars and Conferences on key problem areas feature regularly in the Academic Calendar of the Institute. The objective is to provide a platform where the students and faculty members could interact with the highly experienced professionals and academicians.

Perceiving the need for developing and sharpening the skills to exploit the burgeoning and enticing opportunities emerging as a result of the cataclysmic developments in global environment, the SMS also offers several significant Executive Development Programmes for promising entrepreneurs and working executives for which it has received wide appreciation.

GUEST LECTURES

In addition to class-room teaching, the Institute also organises the year-long Guest Lecture Series to give the students a glimpse of the real corporate practices. In this series, the working executives from the organisations of repute are invited to interact with the students on the topics of thematic importance.

CONSULTANCY

The Institute with its highly experienced teaching faculty has been offering consultancy services not only to the local entrepreneurs but also to the business and industrial organisations in the country. Since its inception, the Institute has emerged as a Centre of Excellence where the local entrepreneurs and other organisations do visit for redressal of their problems and also for seeking assistance to get market and consumer surveys conducted for their different products not only in Varanasi but also in other parts of the country.

It is worth mentioning that in the recent past, the Institute has conducted many significant research / market surveys for a number of reputed organisations in the corporate world, both from the Public and Private Sectors.

STUDENTS' ACTIVITIES

ALL-INDIA YOUTH FESTIVAL

Based on the theme of "Success through Hardwork and Commitment", the School of Management Sciences organises All-India Youth Festival every year. This festival has an excellent blend of academic and cultural programmes which test the skills of the participants and give them an opportunity to bring out the best in them. The whole event is organised by the students of SMS itself.

CONSUMER TRADE FAIR

To give an exposure to the intricacies of event management, the Institute organises Consumer Trade Fair which is participated both by the local entrepreneurs and the business and industrial houses of national repute. In this endeavour, the students are given almost complete autonomy to organise this event in a grand manner. Thus, the SMS students get a fair opportunity of interacting with the representatives of various participating organisations which further helps them in their final placement. It is heartening to note that the students of this Institute have been participating in the Mega Trade Fairs of the country organised at Delhi and other places.

AD-DARSHANAM

Ad-Darshanam is yet another regular Advertising-cum-Display Exhibition where students from the post-graduate as well as the undergraduate streams join in making different brand-wagons run through Product or Service displays and concept selling using advertisements and other mass media.

CROSS-FIRE

The SMS students also organise Inter-Institutional Quiz programme "Cross-Fire" every year which is participated by a large number of institutions from all over the country.

MODEL CONTESTS

Students from all courses participate in Annual Contests like HR Model Contest, Strategic Management Case-Race Contest, Anveshan, etc. and show their talent in making their thoughts converted into actions.
