Dear Sir / Madam,

### Wish you a Pleasant Day !

It is indeed a matter of collegiate exultance to bring this small publication to your good self to let you know the ambrosial salience of a highly acclaimed seat of learning and research in the streams of management, commerce, mass communication and computer sciences - **School of Management Sciences, Varanasi, a NAAC 'A' Graded Autonomous** Institution which equally maintains a visible position in the high-profile bracket of **'Top 50 B-Schools in India'**. Remarkably, five bi-annual research Journals – **Management Insight, Purushartha (Scopus Indexed), Computing Trendz, SMS Journal of Entrepreneurship & Innovation, and Commerce Research Review** are regularly published by us. SMS Varanasi has been popular for giving one of the best learning experiences to the students. More sanguinely, the institution is widely known for providing a context that enhances professionalism, humanism and social responsibility. I humbly express my deep sense of gratitude towards the unwearied cooperation of the corporate sector in helping SMS develop ideally.

You may appreciate that India has been facing a significant challenge skilling its vast young workforce to meet the requirements of the corporate sector. Majority of the global CEOs are today concerned about the impact of talent shortage on their growth plans. The **'skills-gap'** has become more than a business challenge. A study conducted by the National Skill Development Corporation (**NSDC**) has revealed that while India needs 103 million skilled workers, only 74 million are currently available. Understanding a stronger relevance of the **industry-academia proximity** towards dousing the flames of the systemic issue, the academic leadership at SMS Varanasi has already enhanced the frequency of HR-Conclave-organization at our campus, and equally revisiting both the text and context of the deliverables, offered to our MBA, MCA and M. Com. participants within an arrogantly beautiful **'Green Campus'** of SMS. Apart from domain knowledge, these students imbibe the right set of skills and capsules for ability enhancement in order to become highly competitive in the business arena.

May I request you kindly to evince personal interest in taking care of the curricular as well as the professional causes of our **MBA, MCA and M. Com. students** in the best possible way by allowing them an opportunity to project their wisdom during the forthcoming industrial associations at your prestigious business-house.

With warm regards & best wishes,

Yours sincerely,

(P. N. Jha)
