Dear Sir / Madam,

First of all let me wish you a Pleasant Day !

I feel brimmed with a sense of scholastic exuberance in bringing this small publication to your good self to apprise you of the ambrosial salience of a highly acclaimed seat of learning and research in the streams of management, commerce, mass communication and computer sciences - **School of Management Sciences, Varanasi, a NAAC 'A' Grade Accredited Institution**, which has very recently been accorded with '**Autonomy Status**' by the **UGC**, and which equally maintains a visible position in the high-profile bracket of '**Top 50 B-Schools in India**'. Remarkably, four bi-annual research Journals – **Management Insight, Purushartha, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation**, published by us, are being indexed in International Data-base, Scopus, Elsevier, apart from being listed in the UGC-approved List of journals. SMS Varanasi has been popular for giving one of the best learning experiences to the students. More sanguinely, the institution is widely known for providing a context that enhances professionalism, humanism and social responsibility. Let me express my deep sense of gratitude towards **the unwearied cooperation of the corporate sector** in helping SMS develop ideally, taking frequent quantum jumps in both pre & post **Silver Jubilee Years** and recently exhibiting an **unparalleled** care of students, faculty & staff during the lingering **COVID-19 pandemic**.

You will appreciate that on account of a sustained business reforms in the recent past, the **Ease of Doing Business in India** is projected to trend around **116.00 in 2021**. This may be taken as a welcome trait for the growing corporate visibility within the ambience of the **Fourth Industrial Revolution (IR 4.0)**. Keeping its role as an active corporate partner in progress, especially in the post Autonomy Era under the governance of the **National Education Policy**, the academic leadership at SMS Varanasi has already started revisiting both the text and context of the deliverables, offered to our **MBA & MCA participants** within an arrogantly beautiful '**Green Campus**' of SMS, to ensure their increased suitability to the growing & changing corporate requirements. Apart from domain knowledge, these students imbibe the right set of skills and capsules for ability enhancement in order to become highly competitive in the business arena. We understand that job market is becoming more knowledge application based and basic skills plus enhanced ability are necessary for getting, keeping & doing well on a job.

May I request you kindly to evince personal interest in taking care of the curricular as well as the professional causes of our **MBA & MCA students** in the best possible way by allowing them an opportunity to manifest their versatile wisdom during the forthcoming industrial associations at your prodigious business-house.

With warm regards & best wishes,

Yours sincerely,

(P. N. Jha)

M.A-Labour & Social Welfare  
General Manager-Corporate Affairs

Dear Sir / Madam,

Let me express my deep sense of gratitude to the corporate world for their sustained support, even during the testing times of the curse of lingering COVID-19 pandemic, in meaningfully accommodating our relevant students towards their various significant plus compulsory pursuits on the platform of Industry-Institute Dyad, and thereby extending an extremely helping hand to us in actualizing a mandatory requirement of their course-curriculum.

School of Management Sciences, Varanasi, an **Autonomous Institution**, understands that Summer Placements are an integral part of the holistic learning for the **MBA & MCA participants**. The concerted training programme not merely helps the students to imbibe valuable inputs of experiential learning, but equally provides an opportunity to channelize the cognitive pool to absorb relevant skills and work culture at the industrial unit or field of their choice, where they wish to build their professional career. Further, the internship programmes offer an occasion to employers as well to keenly observe the students in action and thereby assessing the extent of their suitability with the corporate culture and needs.

It is indeed a great pleasure on our part to present the profile of our young, energetic, aspiring and dependable students of MBA & MCA course (**Batch 2021-2013**) for Summer Internship at your esteemed house. We look forward to your active participation in the campus recruitment programme relating to Summer Internship.

Humble regards & best wishes,

**(D. K. Tripathi)**

Master of Business Administration & Master of Computer Applications

Sensing the ever-growing need for competent and highly trained professionals endowed with technical skills and aptitude to operate in the highly complex and technology driven industrial environment, the SMS Society, a philanthropic social organisation, registered under the Societies Registration Act, 1860, established an autonomous nonprofit educational centre, School of Management Sciences (SMS), in Varanasi with avowed mission of imparting highly innovative management and computer education in the eastern part of India which was expected to be the need of the hour in the country's economy heading so fast towards globalisation. With a modest beginning in 1995, the SMS has never looked back. It has made consistent endeavours over the years to prove its national character as a Centre of Excellence in Management and Computer Education. It is because of its proactive approach and immense commitment that SMS has been rated as one of the top-most Institutions in the country imparting professional education in Management and Computer Sciences. The goal of the MBA programme is to develop future management leaders, business crusaders and managerial decision-makers, capable of effectively addressing to the plural corporate responsibility at the domestic plus global platform and be equally sensitive to the wider social aspiration.

The objective of the MCA programme, however is to develop future leaders, chief engineers, head designers, principal technical officers of industrial software engineering practice in computer & IT organisations. While distinguishing itself from the usual programmes in Information Technology, the programme develops professionals to strengthen the structural core capabilities needed particularly for a software organisation.

The School of Management Sciences has already actuated the Centre for Corporate Training & Research (CCTR) at Mumbai for better Institute-Industry interaction and the Centre for Spiritualism & Human Enrichment (C-SHE) at Varanasi in the Campus itself for cultivating the individuals into ideal human beings by blending of traditional values with modern thoughts. SMS has also been recognised as one of the prominent Training Centers by Insurance Regulatory & Development Authority of India for providing training to Insurance Agents.

# TRAINING & PLACEMENT CELL

The Institute has been aware of two main important facts: Firstly, that the interaction with the corporate world during summer placement helps the students to sharpen their managerial and incisive skills and, secondly, the performance of a professional institute is gauged in terms of the quality of placements to its outgoing batches. As such, the Institute has established a full-fledged and well-equipped Training and Placement Cell which provides active support to the students in getting quality summer training as well as final placements. In past, the Institute has had an outstanding record of quality placements. The students of the SMS are absorbed by leading national and multi-national companies every year. Some of the prominent companies that visit SMS regularly for providing Summer Training & Placement to the MBA & MCA students are:
