OF EXCELLENCE IN THE FIELD OF EDUCATION

SUMMER TRAINING 2019
PGDM & MBA (BATCH 2018-20)

STUDENTS’ PROFILE
Dear Sir / Madam,

Let me first take the privilege to wish you a Pleasant Day!

I further feel inclined to seek your gracious blessings in as much as involving the eponymous values of your esteemed organization in designing an epoch-making instance on the indispensable platform of institute – industry dyadic relationship. The small publication is indeed a souvenir of the reflections of some of the physical and intellectual capital of the School of Management Sciences, Varanasi, an acclaimed B-School for providing a context that enhances professionalism, humanism and social responsibility. More than 23 years old and Accredited by NAAC with ‘A’ Grade in the very first cycle, the institution is equally ranked among the ‘Top 50 B-Schools’ of India. At present, four bi-annual Journals – Management Insight, Purushruta, Computing Trendz, and SMS Journal of Entrepreneurship & Innovation are being regularly published by us, and are being indexed in International Data-base, Scopus, Elsevier, apart from being listed in the UGC-List of journals.

The SMS-education system, housed in a beautiful ‘Green Campus’, has been extremely conscious to accommodate the pragmatic dictates of the newly emerged teaching-learning philosophy under Education Model 4.0 as well as various cerebral concerns of the corporate world by way of incorporating desirable modifications in the course-curricula and pedagogy-mix from time-to-time, coupled with exposing our students to a value-based personality development package and pertinent corridors in the global business environment for infusing a better compatibility. This is why our students, by dint of being permeable to a more relevant permutation of all needful academic plus leadership skills, use to exhibit their cognitive strength on the corporate floors while addressing the assigned responsibilities.

You will appreciate that a gradually swelling momentum in the country’s economic texture in the wake of India’s recent eye-catching jump to 100th place on the World Bank’s ranking of countries by Ease of Doing Business along with the recently established ‘GST Venture’ may be taken as a welcome trait for the growing corporate visibility within the globalization-drive getting fully prepared to welcome the commandments of the Fourth Industrial Revolution (IR 4.0). Let us consider it a harbinger of a major business upswing during the days ahead.

May I request you kindly to evince personal interest in taking care of the curricular as well as the professional causes of our students in the best possible way by allowing them an opportunity to manifest their versatile wisdom during the forthcoming industrial associations at your prodigious business-house.

With warm regards & best wishes,

Yours sincerely,

(P.N. Jha)

MESSAGE FROM THE GENERAL MANAGER’S DESK

Dear Sir/Madam,

Let me express my deep sense of gratitude to the corporate world for their sustained support in meaningfully accommodating our relevant students towards one of their significant academic cause – Summer Placements, and thereby extending a helping hand to us in a big way in actualizing a mandatory requirement of their course-curriculum.

School of Management Sciences, Varanasi understands that Summer Placements are an integral part of the holistic learning for both the PGDM and MBA participants. The concerted training programme not merely helps our students to imbibe valuable inputs of experiential learning, but equally provide an opportunity to channelize the cognitive pool to absorb relevant skills and work culture at the industrial unit or field of their choice, where they wish to build their professional career. Further, the internship programmes offer an occasion to employers as well to keenly observe the students in action and thereby assessing the extent of their suitability with the corporate culture and needs.

It is indeed a great pleasure on our part to present the profile of our young, energetic, aspiring and dependable students of PGDM and MBA courses (Batch 2018-2020) for Summer Internship at your esteemed house.

We look forward to your active participation in the campus recruitment programme relating to Summer Internship.

Humble regards & best wishes,

D K Tripathi  
M.A. (Labour & Social Welfare)  
General Manager - Corporate Affairs

Sensing the ever-growing need for competent and highly trained professionals endowed with technical skills and aptitude to operate in the highly complex and technology-driven industrial environment, the SMS Society, a philanthropic social organization, registered under the Societies Registration Act, 1860, established an autonomous nonprofit educational centre, School of Management Sciences (SMS), in Varanasi with an avowed mission of imparting highly innovative management and computer education in the eastern part of India which was expected to be the need of the hour in the country’s economy heading so fast towards globalization.

With a modest beginning in 1995, the SMS has never looked back. It has made consistent endeavours over the years to prove its national character as a Centre of Excellence in Management and Computer Education. It is because of its proactive approach and immense commitment that SMS has been rated as one of the top-most institutions in the country imparting professional education in Management and Computer Sciences. The goal of the PGDM & MBA programme is to develop future management leaders, business crusaders and managerial decision-makers, capable of effectively addressing the plural corporate responsibility at the domestic plus global platform and be equally sensitive to the wider social aspiration.

The objective of the MCA programme, however, is to develop future leaders, chief engineers, head designers, principal technical officers of industrial software engineering practice in computer & IT organisations. While distinguishing itself from the usual programmes in Information Technology, the programme develops professionals to strengthen the structural core capabilities needed particularly for a software organisation.

The School of Management Sciences has already actuated the Centre for Corporate Training & Research (CCTR) at Mumbai for better Institute-Industry interaction and the Centre for Spiritualism & Human Enrichment (C-SHE) at Varanasi in the Campus itself for cultivating the individuals into ideal human beings by blending of traditional values with modern thoughts.

SMS has also been recognised as one of the prominent Training Centers by Insurance Regulatory & Development Authority of India for providing training to Insurance Agents.

CAMPUS
The Architectural Marvel

The Institute has a sprawling lush-green Campus spreading over an area of over 10 acres with already built-up space of more than 1.25 lacs sq. ft. It is located on the Delhi-Kolkata Golden Quadrilateral Express Highway in a picturesque locale. It encompasses all modern amenities and facilities that are comparable to the best professional institutions of the country. The calm, quiet and hassle-free atmosphere not only provides with a fine learning ambience but also provides an opportunity to develop organic linkages with the corporate world. From all angles, the campus is an architectural marvel in itself.

IT INFRASTRUCTURE

The IT infrastructure at SMS Varanasi comprises of fully air-conditioned 8 computer labs equipped with latest generation of all relevant computer & electronic gadgetry advancements. The computer centre has more than 400 P-IV Smart terminals to work as Standalone and also on LAN environment. The institute has unlimited Internet access through 15 MBPS Lease Line connection. SMS has an authentic range of softwares due to its agreement with the renowned IT Company Microsoft. The entire campus of SMS Varanasi is Wi-fi-enabled, allowing the student hi speed internet access.

LIBRARY AND DOCUMENTATION CENTER

A rich library and documentation centre accommodating more than 100 students at a time, providing equitable access to excellent library and information services, resources and facilities to the participants of various programmes, faculty and also the wider community to enable them to become lifelong learners.

This fully computerized centre comprises of an excellent collection of around 35000 books, 13000 titles, subscription of more than 110 national and international journals, 130 magazines, 30 newspapers along with a wide range of digital material in the form of CDs and DVDs on different functional areas of Management and Computer Science. The library of SMS has an Institutional membership of DELNET including ILL facility and various other online journal search engines. The library is equipped with all kinds of reprographic facilities and maintains a separate reference section.

Digital Harbour

The Digital Harbour is special section of the SMS Library which is a type of information retrieval system. The Digital Harbour comprises of a collection of academic materials in the form of e-journals, e-books, lectures videos and a vast collection of digital books covering different aspects of business administration, commerce, computer science and various other subjects like career, ethics etc.
